Cara menjalankan:

1. Install zig (duh)
2. Pindah directory ke klakulator
3. Zig run klakulator.zig
4. Kalo gagal berarti zig belom ditambah ke path

Okeh sekarang ssan:

```
Windows PowerShell                                                        —  □  ×
